Dear Trooper/Patrolman,

You recently attended the DWI Detection and SFST Course. A new format is being used on the issued pocket card to include the original course dates. The updated pocket card is enclosed. Please destroy the previous card that was issued that does not include the original course dates on the backside. The certificate that was issued is correct. Update any discovery that may be necessary.

Please contact me via email at ADTU@NJSP.GOV to confirm receipt of the newly issued card.

Sincerely,

Sgt. *Dennis J. Lutz* 7045
